Sunday Funnies: A kindergarten teacher was observing her classroom of children while they drew. She would occasionally walk around to see each child's artwork. As she got to one little girl who was working diligently, she asked what the drawing was. The girl replied, **"I'm drawing God."** The teacher paused and said, **"But no one knows what God looks like."** Without missing a beat, or looking up from her drawing, the little girl replied, **"They will in a minute."**

Little Bobby was spending the weekend with his grandmother after a particularly trying week in kindergarten. His grandmother decided to take him to the park on Saturday morning. It had been snowing all night and everything was beautiful. **His grandmother remarked..."doesn't it look like an artist painted this scenery? Did you know God painted this just for you?"** Bobby said, **"Yes, God did it and he did it left handed."** This confused his grandmother a bit, and she asked him **"What makes you say God did this with his left hand?"** **"Well,"** said Bobby, **"we learned at Sunday School last week that Jesus sits on God's right hand!"**

Smile God Loves You

Have a great Week!
